Plantation Interiors

Since 1972 Plantation Interiors has been the Lowcountry's leading interior design firm complimented with an extensive showroom and the area's largest library of custom resources from around the world. We are the only Hilton Head design firm with a large furniture showroom, on-site warehouse, trucks and a full-time installation crew. We have an award winning staff of professional interior designers, support and warehouse personnel. Plantation Interiors takes great pride in the many awards won through the years including 11 of the coveted Aurora Awards for best interior design in a twelve State Region and the Caribbean.

As our firm has grown and changed over the past 45 years we have maintained our reputation as a trendsetter as well as a friendly, easy to work with interior design firm that offers our client's a high degree of personal service. You can rely upon our tradition of distinctive design and depend upon the result... an environment made to order, designed effectively, executed efficiently and tailored to your budget. Our commitment begins the moment you enter our showroom and will continue long after your design is delivered... A promise we have honored for 45 years.
